Meet ETA's New Marketing Coordinator

Hello everyone! My name is Maddy Colvin and I am the Marketing Coordinator for ETA International. I specialize in brand development, social media marketing, event planning, and advertising coordination. I graduated from Indiana State University in December 2020 with a Bachelor of Science in business marketing with a concentration in management. Before joining ETA, I held various positions where I gained vast experience in business, non-profit, sales, and marketing.

I love visiting state parks - especially in the fall! The beautiful colors make it so peaceful to be outside. When I go back home to Indianapolis, IN, I enjoy playing card games, such as Spades and Hand-Knee-Foot (which is similar to Canasta), which my family and I can play for hours! I am a very proud aunt as well. I love dancing with my nephew and teaching him how to do new things. Another interest of mine is rooting for the Saint Louis Cardinals. I have visited Busch Stadium and hope to visit every major league stadium by the age of 30. I am getting married in the Spring of 2022, so keep an eye out for my soon-to-be name change!
